

Cabinet Decision No. (1) of 2024

Regarding the Technical Regulation for Energy Consumption Efficiency of Household Refrigerating Appliances in the United Arab Emirates

The Cabinet

- Having reviewed the Constitution,
- And Federal Decree-Law No. (20) of 2020 on Standardization and Metrology,
- And based on the proposal of the Minister of Industry and Advanced Technology, and the approval of the Cabinet,

Has decided:

Article (1)

The updated technical regulation for the energy consumption efficiency of household refrigerating appliances, whose number and title are specified in the table attached to this decision, shall be considered a mandatory technical regulation in the United Arab Emirates.

Article (2)

All concerned entities existing at the time of the enforcement of this decision must regularize their status in accordance with its provisions within (365) three hundred and sixty-five days from the date of its enforcement.

Article (3)

This decision shall be published in the Official Gazette and shall come into force on the day following the date of its publication.

Issued by us:

Mohammed bin Rashid Al Maktoum

Date: 14 / Rajab / 1445 H
