

Cabinet Resolution No. (12) of 2021

Concerning the fees for services provided by the Ministry of Energy and Infrastructure

The Cabinet:

- Having reviewed the Constitution,
- And Federal Law No. (1) of 1972 concerning the competencies of Ministries and the powers of Ministers, and its amendments,
- And Federal Law No. (26) of 1981 concerning the Maritime Commercial Law, and its amendments,
- And Federal Law No. (9) of 2011 concerning Land Transport, and its amendments,
- And Federal Law No. (14) of 2016 concerning Violations and Administrative Penalties in the Federal Government,
- And Federal Law No. (14) of 2017 concerning the Trading of Petroleum Products,
- And Federal Decree-Law No. (26) of 2019 concerning Public Finance,
- And Cabinet Resolution No. (27) of 2005 concerning the fees for services provided by the Maritime Affairs Department at the Ministry of Communications,
- And Cabinet Resolution No. (17) of 2010 concerning the regulation of the use and exploitation of federal roads and facilities,
- And Cabinet Resolution No. (28) of 2012 concerning Federal Fees and Fines for Land Transport Sector Services in the State,
- And Cabinet Resolution No. (7) of 2013 concerning fees for the sale of geological reports, publications, and maps,
- And Cabinet Resolution No. (4) of 2015 concerning the fees for services provided by the Ministry of Infrastructure Development, and its amendments,
- And based on the proposal of the Minister of Finance, and the approval of the Cabinet,

Has decided:

Article (1)

Definitions

In the application of the provisions of this Resolution, the following words and phrases shall have the meanings assigned to each of them, unless the context otherwise requires:

The State: The United Arab Emirates.

The Ministry: The Ministry of Energy and Infrastructure.

The Minister: The Minister of Energy and Infrastructure.

The Laboratory: The laboratory affiliated with the Ministry, specialized in testing construction materials.

The Register: Any register established at the Ministry, in which the data of soil investigation contractors, consultants, contractors, or suppliers for construction works are recorded.

Federal Roads and Facilities: The roads and facilities subject to the provisions of this Resolution, which shall be specified by a decision of the Minister.

Operating License: The license issued by the Ministry to practice land transport activity.

Operating Card: The document issued by the Ministry by which a land transport vehicle is authorized to operate in the field of the licensed activity in the State.

Automobile and Touring Clubs: The entity accredited in the State to provide public services to car owners, such as issuing Carnets de Passages en Douane (CPD) for private vehicles, and International Driving Licenses (IDL).

International Land Transport: Any land transport by road for persons or goods from the State to abroad or vice versa by licensed land transport means for a fee.

The Guarantor: The entity established in the State in accordance with the provisions of Federal Law No. (9) of 2011 concerning Land Transport, which guarantees the payment of fees and taxes for national and foreign carriers

under the land transport cards issued by it or by a similar entity in another country.

The Local Agent: The natural or legal person appointed by an international transport or shipping company to represent it in all matters related to the obligations and procedures in effect concerning land transport in the State.

Article (2)

Service Fees

1. For the services provided by the Ministry as specified in Schedules No. (1), No. (2), No. (3), No. (6), and No. (7) attached to this Resolution, the fees indicated next to each shall be collected.
2. A fee for transferring the ownership of a national commercial vessel of (6.5) dirhams shall be collected for each (ton) of the vessel's gross tonnage, provided that the maximum fee is (ten thousand dirhams) and not less than (200) dirhams.
3. A fee for issuing a license for a pleasure boat owned by a foreigner of (6.5) dirhams shall be collected for each (ton) of the vessel's gross tonnage, and for the renewal of this license, a fee of (3) dirhams shall be collected for each (ton) of the vessel's gross tonnage, provided that this fee is not less than (500) dirhams.
4. Upon issuing each navigation license for a foreign vessel operating in the territorial waters of the State, a fee of (7) dirhams shall be collected for each ton of the vessel's registered gross tonnage, and upon its extension for a period not exceeding one year, a fee of (5) dirhams shall be collected for each ton of the vessel's registered gross tonnage, provided that the maximum fee is (150,000) dirhams and not less than (500) dirhams.
5. Repealed by Cabinet Resolution No. (76) of 2022.
6. Repealed by Cabinet Resolution No. (76) of 2022.
7. The service fees listed in items from (204) to (268) do not include packaging, shipping, or customs expenses.

Article (3)

Administrative Violations and Fines

1. The Ministry shall collect the administrative fines specified in Schedule No. (4) attached to this Resolution.
2. The Ministry shall collect the administrative fines specified in Schedule No. (5) attached to this Resolution for occupations and damages resulting from accidents and encroachments on federal roads.
3. The Ministry shall collect the following administrative fines:
 - a. An administrative fine of (100) one hundred dirhams shall be imposed on soil investigation contractors for each year of delay in renewing their registration in the Register.
 - b. An administrative fine of (500) five hundred dirhams shall be imposed on consultants, contractors, and suppliers for construction works for each year of delay in renewing their registration in the Register.
 - c. The value of the fines referred to in paragraphs (a) and (b) of this Article shall be collected in addition to the fees for renewing the registration in the Register as specified in the Schedule attached to this Resolution, for a maximum of three years. In case of non-renewal of the registration for a period exceeding that, the registration shall be canceled from the Register.
 - d. For the purpose of calculating the fines referred to in paragraphs (a) and (b) of this Article, a part of a year shall be considered a full year.
 - e. An administrative fine shall be imposed if the license of a pleasure boat (citizen - foreigner) is not renewed within (60) days from its expiry date, at a rate of (50) dirhams for each month of delay or part thereof, with a maximum fine of (200) dirhams.
 - f. An administrative fine shall be imposed if the navigation license for national commercial vessels is not renewed within (60) days from its expiry date, at a rate of (100) dirhams for each month of delay or part thereof, with a maximum fine of (1000) dirhams.
 - g. An administrative fine shall be imposed if the minimum safe manning document for a national commercial vessel is not renewed within (60) days from its expiry date, at a rate of (50) dirhams for each month of delay or part thereof, with a maximum fine of (300) dirhams.

h. An administrative fine shall be imposed if the special license to work on a vessel is not renewed within (60) days from its expiry date, at a rate of (50) dirhams for each month of delay or part thereof, with a maximum fine of (200) dirhams.

4. Any interested party may submit a written grievance to the Ministry against any administrative fine imposed on them under this Resolution, within (15) fifteen days from the date of notification of the decision being grieved. The grievance must be reasoned and accompanied by all supporting documents. The grievance shall be decided upon within (30) thirty days from the date of its submission, in accordance with the procedures in effect at the Ministry.

Article (4)

Amendments to Fees and Fines

The Cabinet is competent to make any amendments to the fees and administrative fines stipulated in this Resolution, whether by addition, deletion, or modification.

Article (5)

Collection of Fees and Fines

The fees and fines stipulated in this Resolution shall be collected by the means decided by the Ministry of Finance.

Article (6)

Bank Guarantee

The Guarantor and the Automobile and Touring Clubs shall be obliged to provide a bank guarantee of one million dirhams in the name of the Ministry, issued by a bank operating in the State, upon the issuance of a license to practice the activity of issuing Carnets de Passages en Douane (CPD) for private vehicles, International Driving Licenses (IDL), and transit cards for trucks and passenger buses. The bank guarantee shall be valid for an indefinite period, and it shall not be returned to the license holder until (90) days have passed from the date of the license's cancellation.

Article (7)

Costs of Designing and Implementing Entrances for Private Investment Projects

The Ministry shall collect the costs of designing and implementing any permanent entrances for private investment projects on federal roads from the owning entities of these projects, in addition to administrative, supervisory, and maintenance expenses at a rate of (10%) of the cost value. Coordination shall take place between the Ministry and the Ministry of Finance to determine the mechanism for collecting these costs from the project-owning entities, and the method of settling the dues of the entities that carry out the design and implementation works.

Regulation of the Use and Exploitation of Federal Roads and Facilities

Article (8)

The Ministry, exclusively, has the right to exploit federal roads and facilities in accordance with the provisions of this Resolution, and for this purpose, it may determine the right-of-way according to the regulations issued by the Minister in this regard.

Article (9)

1. Without prejudice to the legally established competencies of any other federal entity, the Ministry is competent to do the following:
 - a. Assess the extent of damages and violations resulting from traffic accidents and encroachments on federal roads and determine the cost of their repair.
 - b. Determine the costs of removing and addressing violations and occupations that the violators do not remove or address as deemed appropriate by the Ministry.
 - c. Carry out the necessary repairs to address the effects of traffic accidents and encroachments.
 - d. Remove the committed violations if they are not removed within the period specified by the Ministry.

2. The Ministry shall notify the perpetrators and violators of the provisions of this Resolution to pay the cost of the repair and removal works mentioned above, plus 15% as administrative and supervisory expenses, which shall be deposited into the State's public treasury.

3. The Minister or his authorized representative shall consider the grievance requests received by the Ministry regarding what is stated in paragraph (1) of this Article. The appropriate mechanism for accepting such grievances shall be determined within a month from the date of notifying the perpetrators and violators to pay the repair and removal costs. The decisions of the Minister or his authorized representative shall be final on the grievances submitted to him in this regard.

Article (10)

Entities authorized to work within the right-of-way of federal roads and facilities shall provide the financial guarantees specified by the Ministry to ensure their compliance with the technical and legal specifications of the roads and to repair any damage that may occur to the road or its appurtenances. This can be done either through:

- a. Providing guarantees in the form of amounts deposited in cash into the bank accounts specified by the Ministry of Finance for this purpose.
- b. Providing letters of guarantee from a bank operating in the State, which must be unconditional, irrevocable, and for the same amounts, according to the principles determined by the Ministry in coordination with the Ministry of Finance.

Article (11)

1. The Ministry may collect fees for publishing advertisements and promotional materials on federal roads and facilities. These fees shall be determined in coordination with the Ministry of Finance and in accordance with the regulations and bylaws implementing this Resolution. A resolution on these fees shall be issued by the Cabinet based on the proposal of the Minister of Finance.

2. The Ministry has the right to conclude contracts with specialized companies and institutions to grant them the right to exploit federal roads and facilities for advertisements and promotional materials, in accordance with the tender or auction system in effect in the Federal Government.

Article (12)

The Ministry may collect fees for the use of federal roads and facilities after coordinating with the Ministry of Finance and the Ministry of Interior. The Cabinet shall issue a resolution on these fees and their collection dates based on the proposal of the Minister of Finance.

Article (13)

The Ministry has the right to determine the permissible speeds on federal roads and the locations for installing radars on them in coordination with the Ministry of Interior, provided that all revenues from radars installed on federal roads shall be transferred to the State's public treasury.

Final Provisions

Article (14)

The employees of the Ministry who are designated by a decision from the Minister of Justice in agreement with the Minister shall have the capacity of judicial officers to detect and establish violations in accordance with the provisions of this Resolution and its implementing regulations and controls, within the scope of each one's jurisdiction.

Article (15)

Executive Resolutions

1. The Minister shall issue the necessary resolutions to implement the provisions of this Resolution.
2. The Minister shall specify the federal roads and facilities to which this Resolution applies.

Article (16)

Repeals

1. The following resolutions are repealed:

- a. Cabinet Resolution No. (27) of 2005 concerning the fees for services provided by the Maritime Affairs Department at the Ministry of Communications.
 - b. Cabinet Resolution No. (17) of 2010 concerning the regulation of the use and exploitation of federal roads and facilities.
 - c. Cabinet Resolution No. (28) of 2012 concerning Federal Fees and Fines for Land Transport Sector Services in the State.
 - d. Cabinet Resolution No. (7) of 2013 concerning fees for the sale of geological and geophysical reports, publications, and maps.
 - e. Cabinet Resolution No. (4) of 2015 concerning the fees for services provided by the Ministry of Infrastructure Development and its amendments.
 - f. Minister of Finance Resolution No. (268) of 2006.
 - g. Minister of Finance Resolution No. (108) of 2007.
2. Any provision that contradicts or conflicts with this Resolution is repealed.

Article (17)

Publication and Entry into Force of the Resolution

This Resolution shall be published in the Official Gazette and shall enter into force on the day following the date of its publication.

Mohammed bin Rashid Al Maktoum

Prime Minister

Issued by us:

Dated: 11 / Jumada al-Thani / 1442 H

Corresponding to: 24 / January / 2021 G

**Schedule No. (1) Annexed to Cabinet Resolution No. (12) of
2021**

**Concerning the fees for services provided by the Ministry of
Energy and Infrastructure**

No.	Service Type Description	Service Fee in Dirhams
a. Laboratory Tests and Analyses:		
Aggregate		
1	Sieve analysis test - Dry.	170
2	Sieve analysis test - Wet.	130
3	Determination of dust and silt content - Sedimentation.	75
4	Determination of dust and silt content - Washing.	80
5	Determination of elongation index.	130
6	Determination of flakiness index (thickness).	100
7	Angularity test.	120
8	Determination of specific gravity.	110
9	Determination of bulk density - Compacted.	60
10	Determination of bulk density - Uncompacted.	50
11	Moisture content test.	30
12	Determination of water absorption percentage.	50
13	Soundness test for aggregate.	350

No.	Service Type Description	Service Fee in Dirhams
14	Aggregate Crushing Value (ACV) test - Dry.	120
10% Fines Value (TFV) test.	120	
16	Aggregate Impact Value (AIV) test.	90
17	Los Angeles abrasion test.	250
18	Sulfate content test by acid extraction method.	160
19	Chloride content test by acid extraction method.	140
20	Organic impurities test in fine aggregate.	70
21	Determination of shell content in marine sand.	70
22	Test for totally crushed aggregate surfaces.	150
23	Test for partially crushed aggregate surfaces.	150
24	Determination of water-soluble sulfate content.	70
25	Determination of water-soluble chloride content.	70
26	Alkali-reactivity test.	300
Concrete Cube		
27	Compressive strength test.	15
28	Dry density test of concrete cube.	50
29	Saturated surface dry density test of cube.	30

No.	Service Type Description	Service Fee in Dirhams
30	Determination of the relationship between compressive strength and Schmidt hammer reading.	100
31	Initial surface absorption test.	150
32	Water absorption test of concrete for half an hour.	200
33	Water permeability test in concrete.	200
34	Chloride permeability test in concrete.	500
35	Curing cubes in the laboratory for (7) days.	5 per cube
36	Curing cubes in the laboratory for (28) days.	10 per cube
Concrete Core		
37	Drilling (50) mm concrete core sample at the construction site.	700
38	Drilling (75) mm concrete core sample at the construction site.	750
39	Drilling (100) mm concrete core sample at the construction site.	850
40	Drilling (150) mm concrete core sample at the construction site.	850
41	Drilling (50) mm concrete core sample in the laboratory.	120
42	Drilling (75) mm concrete core sample in the laboratory.	140
43	Drilling (100) mm concrete core sample in the laboratory.	170

No.	Service Type Description	Service Fee in Dirhams
44	Drilling (150) mm concrete core sample in the laboratory.	230
45	Determination of water absorption percentage.	80
46	Compressive strength test of concrete core.	100
Prism		
47	Flexural strength test.	60
48	Compressive strength test of broken parts.	20
Blocks		
49	Compressive strength test.	35
50	Determination of chloride content.	100
51	Determination of sulfate content.	100
52	Compressive strength test of concrete block.	30
53	Determination of bulk density of concrete block.	35
54	Determination of water absorption of concrete block.	70
55	Determination of density of concrete block.	30
56	Determination of moisture content of concrete block.	80
57	Determination of water absorption of block.	60
Concrete Tiles		
58	Flexural strength test of concrete tile.	100

No.	Service Type Description	Service Fee in Dirhams
59	Water absorption test of concrete tile.	120
60	Density determination test of concrete tile.	30
61	Determination of weight of concrete tile.	20
Concrete Curbs		
62	Flexural strength test of concrete curbs.	120
63	Water absorption test of concrete curbs.	100
64	Density determination test of concrete curbs.	35
65	Determination of weight of concrete curbs.	20
66	Resistance test of concrete curbs.	100
Concrete		
67	Ultrasonic pulse velocity test at the construction site.	80 per hour
68	Rebar detection test at the construction site.	80 per hour
69	Abrasion resistance test.	1,500 per three samples
70	Splitting tensile strength test.	35
71	Slump test for fresh concrete.	30
72	Determination of cement content for fresh concrete.	120
73	Fresh concrete mix design.	500 per trial
74		15

No.	Service Type Description	Service Fee in Dirhams
	Determination of temperature of fresh, unhardened concrete.	
75	Determination of chloride content in hardened concrete.	140
76	Determination of sulfate content in hardened concrete.	200
77	Determination of sodium and potassium oxide content.	200
78	Determination of cement type in concrete.	600
79	Determination of cement content in concrete.	600
Water		
80	Determination of chloride content in water.	60
81	Determination of sulfate content in water.	90
82	Determination of pH of water.	50
83	Determination of total dissolved solids in water.	60
Tiles		
84	Determination of water absorption.	150
85	Flexural strength test.	150
86	Determination of partial water absorption.	150
87	Dimensional measurement test.	50
88	Determination of chemical resistance.	300
89	Adhesion strength test for tiles.	150

No.	Service Type Description	Service Fee in Dirhams
90	Determination of thermal resistance.	200
Soil		
91	Moisture content test.	50
92	Liquid limit test.	90
93	Shrinkage test.	80
94	Plastic limit test.	60
95	Specific gravity of grains test.	60
96	Sieve analysis test - Wet.	130
97	Sieve analysis test - Dry.	110
98	Determination of dry density and moisture content with (4.5) kg rammer.	220
99	Determination of dry density and moisture content with (2.5) kg rammer.	250
100	California Bearing Ratio (CBR) test for soaked sample.	350
101	California Bearing Ratio (CBR) test for unsoaked sample.	300
102	Determination of soil density at the construction site.	80
103	Sulfate content test by acid extraction method.	160
104	Determination of organic matter content.	70
105	Determination of pH value.	60
106		100

No.	Service Type Description	Service Fee in Dirhams
	Measurement of soil swell percentage after soaking in water for (24) hours.	
107	Measurement of soil swell percentage after soaking in water for (96) hours.	150
108	Hand shaker test.	300
109	Determination of carbonate content in soil.	130
110	Determination of moisture content by calcium carbide method.	60
111	Soil density test in the laboratory.	60
112	Maximum density test.	160
113	Finding the amount of fine materials passing sieve (75) micron.	80
114	Chloride content test by acid extraction method.	140
115	Determination of volatile mass of soil after ignition.	100
116	Soil bearing capacity test at the construction site.	1,000
117	Determination of organic matter content lost on ignition.	100
Bitumen		
118	Softening point determination.	140
119	Penetration test.	120
120	Specific gravity determination.	140

No.	Service Type Description	Service Fee in Dirhams
121	Solubility determination.	120
122	Flash point determination.	140
123	Water content determination.	120
124	Distillation test.	140
125	Drying time determination.	150
126	Solid content determination.	150
127	Color determination.	150
Steel		
128	Tensile test.	200 per sample
129	Re-bend test.	150
130	Bend test.	100
131	Carbon content test.	100
132	Sulfur content test.	100
133	Phosphorus content test.	100
134	Nitrogen content determination.	100
Paints		
135	Determination of volatile and non-volatile matter.	150
136	Abrasion resistance determination.	250
137	Adhesion determination.	150
138	Pigment content determination.	150

No.	Service Type Description	Service Fee in Dirhams
139	Specific gravity determination for paints.	100
Cement		
140	Specific gravity determination of cement.	100
141	Initial and final setting time determination of cement.	150
142	Compressive strength test of concrete cubes.	350
143	Fineness test of cement.	120
144	Soundness test of cement.	150
145	Determination of insoluble residue.	120
146	Determination of voids in cement.	120
147	Determination of silicon dioxide content.	100
148	Determination of aluminum oxide content.	100
149	Determination of iron oxide content.	100
150	Determination of calcium oxide content.	100
151	Determination of magnesium oxide content.	100
152	Determination of sodium oxide content.	100
153	Determination of potassium oxide content.	100
154	Determination of sulfur oxide content.	100
155	Stability test.	100
156	Specific gravity determination.	100
157	Sulfur content determination.	100

No.	Service Type Description	Service Fee in Dirhams
158	Density determination.	200
159	Chloride content determination.	150
160	Determination of cement loss on ignition.	120
Mortar / Plaster		
161	Air content test.	60
162	Sample preparation for compressive strength test (cubic shape).	50 per cube
163	Sample preparation for flexural strength test (prismatic shape).	55
164	Flexural strength test of mortar.	25
165	Compressive strength test of mortar.	20
Waterproofing Membrane		
166	Reinforcement test for waterproofing membrane.	200
167	Dimensional measurement test for waterproofing membrane.	50
168	Mass determination for waterproofing membrane.	100
169	Tensile strength test for waterproofing membrane.	200
170	Elongation test for waterproofing membrane.	200
171	Heat resistance test at (100) degrees Celsius for two hours.	100
172	Thickness test for waterproofing membrane.	100

No.	Service Type Description	Service Fee in Dirhams
173	Water absorption determination for waterproofing membrane.	100
174	Density determination for waterproofing membrane.	60
175	Abrasion resistance test for waterproofing membrane.	150
b. On-site Testing:		
176	Technician's visit from the laboratory to the construction site for a distance not exceeding (50) km from the laboratory.	50 per hour
177	Technician's visit from the laboratory to the construction site for a distance exceeding (50) km from the laboratory.	100 per hour
c. Copying project drawings for electrical works:		
178	Electronic copy of the interior lighting plan.	200 per plan
179	Electronic copy of the electrical power plan.	200 per plan
180	Electronic copy of the general site plan for electrical works.	150 per plan
181	Electronic copy of other electrical works plans.	150 per plan
d. Registration of Consultants, Contractors, and Suppliers for construction works:		
182		500

No.	Service Type Description	Service Fee in Dirhams
	Registration in the register of consultants, contractors, or suppliers for construction works.	
183	Amendment of registration in the register of consultants, contractors, or suppliers for construction works.	250
184	Registration in the register of soil investigation contractors.	500
185	Issuance of a "To Whom It May Concern" certificate for a consultant, contractor, or supplier for construction works.	100
186	One-time registration in the register for trading petroleum products.	500
187	Registration of the contractor for each residential project separately.	500
h. Re-reviewing designs for contractors and subcontractors in the absence of a consultant:		
188	Submitting designs for the second time for building execution, maintenance, or addition projects.	500
189	Submitting designs for the second time for road construction or maintenance projects.	3,000
190	Submitting designs for the second time for construction projects not exceeding (50,000,000) fifty million dirhams in value.	500
191	Submitting designs for the second time for construction projects exceeding (50,000,000) fifty million dirhams but not exceeding	1,000

No.	Service Type Description	Service Fee in Dirhams
	(100,000,000) one hundred million dirhams in value.	
192	Submitting designs for the second time for construction projects exceeding (100,000,000) one hundred million dirhams in value.	2,000
i. Supervision of Construction Sites:		
193	Supervision of construction sites outside official working hours.	250 per hour
j. Interviewing Engineers and Supervisors:		
194	Interviewing the engineer or supervisor nominated by the supervising consultant of the construction project.	200
k. No-Objection Certificates:		
195	Applying for or renewing a no-objection certificate.	100
196	Issuing a no-objection certificate.	1,000
l. Use of Federal Road Exits and Entrances:		
197	Entrance for a crusher on a first-class category road.	200,000 annually
198	Entrance for a crusher on a second-class category road.	100,000 annually
199	Temporary entrance for a private investment project on a first-class category road.	15,000 monthly
200	Temporary entrance for a private investment project on a second-class category road.	10,000 monthly

No.	Service Type Description	Service Fee in Dirhams
201	Entrance for fuel stations and other service projects.	15,000 annually
202	Placing directional signs for private or not fully government-owned institutions on a first-class category road, per sign.	5,000 annually
203	Placing directional signs for private or not fully government-owned institutions on a second-class category road, per sign.	3,000 annually
m. Sale of Reports and Films:		
204	Reports and maps on the airborne magnetic and gravimetric survey of the State's territories.	70,000
205	Report on the study of reprocessing and interpretation of seismic lines for the eastern region of the Emirate of Abu Dhabi (UAE).	50,000
206	Report on the study of reprocessing and interpretation of deep seismic lines D1, D3, D4 in the Northern Emirates.	15,000
207	Film on the geology of the United Arab Emirates on a (DVD) disc.	500
208	Reports on the Airborne Magnetic Radiometric Survey: (10) ten volumes and accompanying maps.	30,000
209	Reports on the Deep Seismic Survey across the UAE Mountains: (3) three volumes (20 copies of seismic sections).	45,000
210		35,000

No.	Service Type Description	Service Fee in Dirhams
	Reports on the Advanced Interpretation of the Deep Seismic Survey across the UAE Mountains (4) four volumes.	
n. Sale of Copies of Geological Studies Publications for the State's Territories:		
211	Volume 1: Executive Summary (Paper copy).	300
212	Volume 1: Executive Summary (Digital/ Electronic copy).	600
213	Volume 2: Geology (Paper copy).	1,200
214	Volume 2: Geology (Digital/Electronic copy).	2,400
215	Volume 3: Economic Geology (Paper copy).	500

287	Replacement of a lost / damaged license for all workers on ships.	100
288	Attestation of the maritime employment contract for officers/ engineers/seamen working on high seas ships.	300
289	Attestation of the transfer of ownership of a recreational boat.	200
290	Issuance of a replacement for a lost or damaged registration certificate or navigational license for a recreational boat owned by a citizen.	100
291	Registration of a mortgage on a recreational boat owned by a citizen.	200
292		100

	Cancellation of a mortgage registration on a recreational boat owned by a citizen.	
293	Amendment of data on the registration certificate or license of a recreational boat owned by a citizen.	50
294	Issuance of a replacement for a lost or damaged license for a recreational boat owned by a foreigner.	200
295	Amendment of license data for a boat owned by a foreigner.	100
296	Issuance of a seaman's book.	300
297	Issuance of a replacement for a lost or damaged seaman's book.	300
298	Renewal or amendment of seaman's book data.	200
299	Issuance / renewal of a certificate of competency endorsement / amendment of data / replacement of a lost or damaged certificate of competency endorsement.	200
300	Attestation and approval for working on board specific types of ships in accordance with the STCW convention.	350
301	Permit for newspaper advertisement.	100
302	Cancellation of mortgage registration on a commercial ship.	300
303	Issuance of a replacement for a lost or damaged navigational	200

	license for a national commercial ship.	
304	Amendment of data on the registration certificate or navigational license for a national commercial ship.	100
305	Issuance of a replacement for a lost or damaged navigational license for a foreign ship operating in the state's territorial waters.	300
306	Amendment of data on the navigational license for a foreign ship operating in the state's territorial waters.	200
307	Extension of an exemption certificate.	200 for each year from the date of issuance.
308	Issuance of a replacement for a lost or damaged deletion certificate for a commercial ship with a gross tonnage of (500) tons or more.	500
309	Issuance of a replacement for a lost or damaged deletion certificate for a commercial ship with a gross tonnage of less than (500) tons.	300
310	Issuance of a replacement for a lost or damaged bill of sale for a commercial ship with a gross tonnage of (500 tons) or more.	300
311	Issuance of a replacement for a lost or damaged bill of sale for a	200

	commercial ship with a gross tonnage of less than (500) tons.	
312	Registration of a mortgage on a national commercial ship (per ship).	2,500
313	Issuance of a replacement for a lost or damaged deletion certificate for a recreational boat owned by a citizen.	100
314	Issuance of a no-objection certificate for a national or foreign ship for the following: - Departure for a single trip (outside/inside) the country. or - Extending the ship's stay for a period exceeding the allowed period.	200
315	Attestation of a sea service certificate on a national ship.	100
316	Renewal of a certificate of competency.	100 per year
317	Replacement of a lost or damaged / amendment of data for a certificate of competency.	200
318	Renewal / replacement of a lost or damaged safe manning document for a national commercial ship.	300
319	Amendment of data on the safe manning document for a national commercial ship.	200
320	Issuance / replacement of a lost or damaged / amendment of data for the Continuous Synopsis	500

	Record (CSR) for a national commercial ship.	
321	Issuance of a Statement of Compliance of a Port Facility.	1,000
322	Annual endorsement of the Statement of Compliance of a Port Facility.	500
323	Replacement of a lost or damaged / amendment of data - Statement of Compliance of a Port Facility.	500
324	Issuance of a deletion certificate for a ship with a gross tonnage of (500 tons).	250
325	Issuance of a data certificate for a ship with a gross tonnage of (500 tons).	200
326	Attestation of the bill of sale for a ship with a gross tonnage of (500 tons).	250
327	Change of name for a ship with a gross tonnage of (500 tons).	200
328	Extension of a provisional registration certificate for a ship with a gross tonnage of (500 tons) or more.	500
329	Extension of a provisional registration certificate for a ship with a gross tonnage of less than (500 tons).	200
330	Issuance of a To Whom It May Concern certificate.	50
331		150

	Sale of a copy of the state's Maritime Commercial Law.	
332	Approval for the extension of a safety certificate for a commercial ship.	200
G. Annual licenses for accrediting specialized companies:		
333	Inspection and maintenance of lifebuoys and all safety equipment required on ships (annually).	2,000
334	Inspection and maintenance of fire prevention and firefighting equipment on ships (annually).	2,000
335	Inspection of unclassified ships (annually).	2,000
336	Pest control on ships (annually).	2,000
H. Technical report for a national or foreign ship:		
337	Technical report for a national ship with a gross tonnage of (500) tons or more.	1,000
338	Technical report for a national ship with a gross tonnage of less than (500) tons.	500
339	Technical report for a foreign ship with a gross tonnage of (500) tons or more.	2,000
340	Technical report for a foreign ship with a gross tonnage of less than (500) tons.	1,000
Land Transport Sector Service Fees		
First: Operating Licenses and National Vehicle Operating Cards		

341	Issuance of temporary operating licenses, valid for three months.	500
342	Issuance of permanent operating licenses, collected for each activity, valid for one year, and renewable.	500
343	Renewal of permanent operating licenses, collected for each activity annually.	500
344	Issuance of a national vehicle operating card for a single vehicle.	100 plus 5 dirhams for each seat of the vehicle
345	Renewal of a national vehicle operating card for a single vehicle annually.	designated for passenger transport and 10 dirhams per ton of the gross tonnage for a vehicle designated for goods transport. 100 plus 5 dirhams for each seat of the vehicle designated for passenger transport and 10 dirhams per ton of the gross tonnage for a vehicle designated for goods transport.
346	Issuance of an operating license for a branch.	500
347	Renewal of an operating license for a branch annually.	500
348	Request to amend data and information related to the operating license or the operating card for national vehicles.	100
349	Suspension of the operating license or the vehicle operating card for three months.	100

350	Lifting the suspension of the operating license or the vehicle operating card.	100
351	Cancellation / deletion of the operating license or the national vehicle operating card.	-
352	Transfer of ownership of the operating license for each activity.	500
353	Transfer of ownership of the national vehicle operating card for each vehicle.	100
354	Cancellation of an operating license for a branch.	-
Second: Land Transport Agents		
355	Issuance of a land transport agent license for non-national companies.	500
356	Renewal of a land transport agent license for non-national companies annually.	500
357	Cancellation of a land transport agent license for non-national companies.	-
Third: Automobile and Touring Clubs / Guarantor Services
