

Cabinet of Ministers Resolution No. (23) of 2022
Regarding the Mandatory Technical Regulations for Energy
Consumption Efficiency in the United Arab Emirates

The Cabinet of Ministers:

Having reviewed the Constitution,

- And Federal Law No. (1) of 1972 concerning the competencies of ministries and the powers of ministers, and its amendments,
- And Federal Law No. (10) of 2018 concerning product safety, and its amendments,
- And Federal Decree-Law No. (20) of 2020 concerning specifications and metrology,
- And Cabinet of Ministers Resolution No. (36) of 2013 concerning the application of a mandatory standard specification for the United Arab Emirates,
- And based on the proposal of the Minister of Industry and Advanced Technology, and the approval of the Cabinet of Ministers,

Has decided:

Article (1)

The technical regulations "Approved UAE Standard Specifications" related to energy consumption, whose numbers and titles are listed in the table attached to this resolution, shall be mandatorily applied in the United Arab Emirates.

Article (2)

All concerned authorities existing at the time of this resolution's enforcement must reconcile their situations in accordance with its provisions within (180) days from its effective date.

Article (3)

This resolution shall be published in the Official Gazette and shall come into effect on the day following its publication date.

Mohammed bin Rashid Al
Maktoum
Prime Minister
